The owner*, HEWLETT-PACKARD COMPANY, of 100 percent interest in the instant application hereby disclaims, except as provided below, the terminal part of the statutory term of any patent granted on the instant application which would extend beyond the expiration date of the full statutory term prior patent No. US 6,862,316, as the term of said prior patent is defined in 35 U.S.C. 164 and 173, and as the term of said prior patent is presently shortened by any terminal disclaimer. This agreement runs with any patent granted on the instant application and is binding upon the grantee, its successors or assigns.

In making the above disclaimer, the owner does not claim the terminal part of the term of any patent granted on the instant application that would extend to the expiration date of the full statutory term as defined in 35 U.S.C. 164 and 173 of the prior patent, "as the term of said prior patent is presently shortened by any terminal disclaimer." In the event that said prior patent later:
